Lord, I wonder what's has got the matter  
With time, you know, with time  
It seems like the hours, oh, everything done changed

But I'm holding my hand, Lord, I'm trying to make you  
understand  
Lord you know, uh, everybody they tell me  
Somebody done hoodooed the hoodoo man

Now you know I, I buzzed your bell this mornin'  
Baby, you had your elevator runnin' slow  
I buzzed your bell it was gonna take me up on the third  
floor

But I'm holding my hand, Lord, I'm trying to make you  
understand  
Lord you know, uh, they tells the baby  
Somebody done hoodooed the hoodoo man  
Hahaha  
Looka here, baby  
Ow!  
I said I tell you this time, Baby, I ain't gonna tell you no  
more  
And next time I tell you, I might have to let you go

But I'm holding my hand, Lord, I'm trying to make her  
understand  
Lord, you know everybody they tell me  
Somebody done hoodooed the hoodoo man
