I know I can always win,
I can do anything I,
To more than dream I,

Think,

You make everything - everything just right,
So Alive,

Life is good when you're around,
Nothing can bring me down,
I can't believe what I have found,
Nothing can hold me down,

One thing I have to know,
Just how far we could go,
I want to go outside and show the whole world,

That everything I've got
some say is not alot but
It's what I want,

Life is good when you're around,

Nothing can bring me down,
I can't believe what I have found,
Nothing can hold me down,

You wait to hear my call,
You know just know what to say,
How could you be, so, cool,

Life is good when you're around,
Nothing can bring me down,
I can't believe what I have found,
Nothing can hold me down,

Life is good when you're around,
Nothing can bring me down,
You can't believe what I have found,
Nothing can hold me down.
