that my grip is slippin' diggin' me in a hole
It's gettin' deeper, over my head, it's overflowin'
and like that river denial it keeps going
On and on for days and days,
spinning like the wheels of a funky DJ,
round and round front to the back
I'm slippin' and trippin' on a diggem smack
High as a kite but don't fly right
I'm gonna sleep all day and stay up all night
I never brag on my bag because that would be
bragadocious
Hazee...I'm seeing yellow
Lazy...I'm feeling mellow
Crazy...Which way will I go
Maybe...I'll kick tomorrow
War on drugs that talk bugs me
I like to get high while my girl hugs me
I'm sittin' in my studio hurtin' no one
when this man comes to my door with a gun
Sayin "Son, you better come with me and pee in a cup
and shut the fuck up or I'll take away your free
Hey don't you geel dumb, here I come with my gun
saying boy you better run"
Hazee...I'm seeing yellow
Lazy...I'm feeling mellow
Crazy...Which way will I go
Maybe...I'll kick tomorrow
I'm feeling psychodelic off the hallucinogenics
After this, I'm gonna have to check myself into a clinic
for a check up from the neck up
and get a catscan 24/7, I'm always wondering who I am
It goes loop de loop round and round
it goes up and then it comes back down
I'll catch you on the flipside, I hope I don't flop
I got a one-way ticket non-stop
I'll take the cab to the rehab for a 12-step program
They can tell me who I am
Hello my name is Joe and I'm addicted
I mention, I'm mentally sick...
Hazee...I'm seeing yellow
Lazy...I'm feeling mellow

Crazy...Which way will I go
Maybe...I'll kick tomorrow
