If you only knew  
what you mean to me  
This constant fight  
and struggling  
would slip away  
from night to day  
it's yours to take  
and throw away

Don't turn my violent side  
as you drift away  
there must be some mistake  
this time you find to cry  
as you drift away  
there must be more to say  
the sooner you fall from  
in decision turns for some  
and desires self destruction on  
so will love and your affection

A new world for me  
how silly can it be  
this serpent you see  
devouring me  
don't you see... what you mean to me

Oh don't you see... what you mean to me  
Don't turn my violent side  
as you drift away  
there must be some mistake  
this time you find to cry  
as you drift away  
there must be more to say  
the sooner you fall from  
in decision turns for some  
and desires self destruction on  
so will love and your affection

If you only knew  
what you mean to me  
This constant fight

and struggling  
would slip away  
from night to day  
it's yours to take  
and throw away...
