To play Russian Roulette
Do you know how to play Russian Roulette?
No, I don't
You play Russian Roulette this way

I have this pistol one bullet in chamber
Spin cylinder, cock the gun
Hold the gun to your head
And pull the trigger

Now you go, here is the pistol

Uh, what do you say, when we do two out of three

Fall in the bass, fall in the bass

Fall in the bass, you're embrace
Fall in the bass, you're embrace
Fall in the bass, you're embrace
Fall in the bass, you're embracing a stay

Fall in the bass, you're embracing a stay
Let's come from eight when love razorblade
Fall in the bass, you're embracing a stay
Let's come from eight when love razorblade

Fall in the bass, fall in the bass
Fall in the bass, fall in the bass you're embracing a stay

Fall in the bass, you're embracing a stay
Let's come from eight when love razorblade
Fall in the bass, you're embracing a stay
Let's come from eight when love razorblade

Fall in the bass, fall in the bass
Fall in the bass, fall in the bass you're embracing a stay

Fall in the bass, you're embracing a stay
Let's come from eight when love razorblade
Fall in the bass, you're embracing a stay
Let's come from eight when love razorblade

Fall in the bass, you're embracing a stay
Let's come from eight when love razorblade
Fall in the bass, you're embracing a stay
Let's come from eight when love razorblade

Fall in the bass, you're embrace
Fall in the bass, you're embrace
Fall in the bass, you're embrace
Fall in the bass, you're embrace

Ah, you lose
