I've been watchin' for some time
Can't believe the lies you spread
See I can see the world
It just lumbers in my head

So pick yourself up and dust yourself down
Pick yourself up and dust yourself down

Into your mind
Read the signs
Into your mind
Read the signs

I've been lookin' for some time
I knew that I had to be much more

So pick yourself up and dust yourself down
Pick yourself up and dust yourself down

Into your mind
Read the signs
Into your mind
Read the signs
