It takes a fast car lady to lead a double life
It takes a slow star lady if you want to do it twice
You take your backseat rumble, take your frontseat
wife
Takes a fast car lady to lead a double life

It takes a light foot lady to lead a double life
It takes a good book maybe if you want to do it nice
When you idle at the stop light you better get the signal
right
Light foot lady, you need a double life

Well, lift me from the wondermaze, alienation is the
craze
And it's all gonna happen to you
You think it's a phase
And it's all gonna happen to you when you drive in the
haze

It takes a freeway lady to lead a double life
It takes some leeway lady if you want to do it twice
Neon blinking on the street, everyone is bittersweet
Freeway lady, you lead a double life

Well, lift me from the wondermaze, alienation is the
craze
And it's all gonna happen to you
You think it's a phase
And it's all gonna happen to you when you drive in the
haze

It's all gonna happen to you
(It's all gonna happen to you)
That's right I said
That it's all gonna happen to you
That's right well
Gonna say it to you
(It's all gonna happen to you)
Well that's right, oh
That's all gonna happen to you, well
I said it's all gonna happen to you, yeah
Gonna tell you again, I said

(It's all gonna happen to you)
Well
