They got a line on you, little bit of trouble too
You got, some jets inside, cherry lips and delirious
eyes

You get in trouble, and it keeps you down
Double trouble
You get in trouble, and you come to town
Double trouble
Oh yeah

They better chain your hands
And you, spread some evil, pick and pan

Hey, you sure got some jets inside
But you got a little with those empty eyes

You get in trouble, and it keeps you down
Double trouble
You get in trouble, and you come to town
Double trouble
Oh yeah

You've got, got some jets inside
Baby, broken promises, broken pride

You get in trouble, and it keeps you down
Double trouble
You get in trouble, and you come to town
Double trouble
Oh yeah

You got some trouble, double trouble
And it keeps you down
Double trouble

You get in trouble, and you come to town
Double trouble
That double trouble
Oh yeah
