Dream away

Five in the mornin', all alone in your room
Door locked tight, private moon
No faces to face, no one to blame
Non-existent inside this frame

We meant, take it on the run
Ooh yeah, take it on the run
Ooh yeah

There's a cheetah walkin' high
Liquid whispers, dragonfly
Charleston Booties on painted toes
Drop the knot, ivory soul

We meant, take it on the run
Ooh yeah, take it on the run
Ooh yeah, take it on the run

Because the good life
Is just a dream away
I said, the good life
Is just a dream away

Choke emotion, all lose control
Chicken encounters fill your bowls
The lonely crowd is decomposed
Lost obsession, future froze

Well, take it on the run
Ooh yeah, take it on the run
Ooh, ooh yeah, take it on the run
Take it on the run
Take it on the run
Take it on the run, take it

'Cause the good life
Is just a dream away
Yeah, ooh the good, good life
Is just a dream away

Ooh, oh well, the good, good, good, good life
Is just a dream away
Just a dream, just a dream
Just a dream, dream away

Yeah, the good, good, good, good life
The good life is just a dream away
Just a dream, just a dream, dream away
