One too many times, I fell over you  
Once in a shadow, I finally grew  
And once in a night I dreamed you were there  
I canceled my flight from going nowhere

It's all I can do  
To keep waiting for you  
It's all I can do  
It's all I can do

One too many times, I twisted the gate  
When I was crazy, I thought you were great  
I kept my renditions of you on the wall  
Where holiday romance is nothing at all

It's all I can do  
To keep waiting for you  
It's all I can do  
It's all I can do

You wait in the wing like a Saturday flirt  
Protecting the judge, you don't want to get hurt  
And once in a moment, it all comes to you  
As soon as you get it, you want something new

It's all I can do  
To keep waiting for you  
It's all I can do  
It's all I can do
