Too many screamers wearing a mask
Too many dreamers looking for the ones that last
Too many eyes looking for hope
Too many tears looking for a way to cope
It's no joke

It's just a sad song
That pulls you along, yeah
It's just a sad song
And it won't take long

Too many thoughts breaking your stride
Too many Jekylls, feeling like a Mr. Hyde
Too many clouds darken your day
Too many rain drops falling on your thunder bay
Everyday, yeah

It's just a sad song
That pulls you along, yeah
It's just a sad song
And you're getting it on

It's just a sad song
That pulls you along
It's just a sad song
And it won't take long

Too many heartaches waiting to strike
Too many clowns saying everything's all right
Too many fires scorching your mind
Too many preachers saying what you should find
Just see the signs

It's just a sad song
That pulls you along, yeah
It's just a sad song
And it won't take long

It's just a sad song
It pulls you along
It's just a sad song
And it won't take long

It's just a sad song
A sad song, yeah
It's just a sad song
And you're getting it on

It's just a sad song, sad song
It's just a sad song
And it won't take long
