I don't care what they say  
I'm gonna keep it anyway  
I won't let them stretch their necks  
To see my little black egg with the little white specks

Chorus:

I found it in a tree  
Just the other day  
And now it's mine, all mine  
They won't take it away

Verse 2:

Here comes Mary, here comes Lee  
I'll bet what they want to see  
I won't let them stretch their necks  
To see my little black egg with the little white specks  
[repeat chorus]

Verse 3:

Oh, goldurn, what can I do?  
The little black egg's gonna tell on you  
I won't let them stretch their necks  
To see my little black egg with the little white specks

The little black egg... [repeat to fade]
