Oh yeah, I got time
Oh yeah, I guess I'm doing fine

Till I met you in the dark
I was chasing little sparks
You were slinked and dressed in pink
Here with someone you wouldn't think

Is this the kill?
Is this the thrill?
I'll wait until you say
This could be love
This could be love

Oh yeah, I got hope
Oh yeah, it comes and goes

Until I met you things were easy
Until I felt you things were sleazy
Doesn't matter once I told
You were someone I could hold

Is this the kill?
Is this the thrill?
I'll wait until you say
This could be love
This could be love

This could be love
This could be love

Oh yeah, I want you
Oh yeah, more than you want me to

Till I met you in the dark
I was chasing little sparks
When you think you're going to sink
Here comes someone you wouldn't think

Is this the kill?
Is this the thrill?
I'll wait until you say

This could be love
You say, this could be love

Love
This could be love

This could be love
This could be love

Love
[Incomprehensible]

This could be love
This could be love
Love
