Victim

She can take you
Anywhere she wants to
She can show you things
That make you weak

She can make you think
That you're the only one
She can steal your heart
With just one wink

Why she'll hold you tight
And she won't let go
She'll make it last
And she'll make it slow

She'll tell you things
That you should not know
'Cause you're the victim
The victim of love

Framed by the night
Touched by the glove
You're the victim, yea
Victim of love

She can freeze you
When she doesn't wanna talk
She can work it on in
Yea, she can go take a walk

She can have or leave it
She can do the skidoo
Well, you better believe it
She's having fun on you

She can hold you tight
And she won't let go
She'll make it last
And she'll make it slow

She'll tell you things
That you should not know
'Cause you're the victim
Victim of love

Framed by the night
Touched by the glove
You're the victim
Victim of love, that's right

Oh, when she's calling you out
You better run to her
When she's just falling out
You'd better care

Oh, when she needs somebody
Oh, you better run to her
When she gives in too soon
It's just not fair

Oh well, she'll hold you tight
And she won't let go
She'll make it last
And she'll make it slow

She'll whisper things
You'd never know
'Cause you're the victim, yea
Victim of love

You're framed by the night
And touched by love
You're the victim
Victim of love

Well, you better watch out
[Incomprehensible]
You're the victim, yea
Victim of love

Well, you're framed by the night
And touched by love
You're the victim
Victim of love

Love, she can take you
(Victim of love)
She can show you things
(Victim of love)

She can freeze you

(Victim of love)
