I got a line on you  
We could be overdue  
We could be trashed inside  
We could be on the slide

No need to cool it out  
Just one two three and shout  
You just can't push me  
You just can't push me  
You just can't push me  
Around

You got to help me in  
You want to be my sin  
You want to be my dream  
You want to fill my dreams, yea  
No need to feel it out

Just another something  
To forget about  
You just can't push me  
You just can't push me  
You just can't push me  
Around  
(Oh, not like this)

I got a line on you  
We could be overdue  
We could be trashed inside  
We could be on the slide

You just can't push me  
You just can't push me  
You just can't push me  
Around
