I hope that I find what I'm reaching for

The way that it is in my mind

I hope that I won't be that wrong anymore

And maybe have learned this time

Someday I'll get over you

I'll live to see it all through

But I'll always miss

Dreaming my dreams with you

But I won't let it change me, not if I can

I'd rather believe in love

And give it away as much as I can

To those that I am fondest of

Someday I'll get over you

I'll live to see it all through

But I'll always miss

Dreaming my dreams with you

Someday I'll get over you

I'll miss dreaming with you

Someday I'll get over you

I'll miss dreaming with you

Someday
