If you were the woman and I was the man
Would I send you yellow roses, would I dare to kiss
your hand
In the morning would I caress you like the wind
caresses the sand
If you were the woman and I was the man

If I was the woman and you were the man
Would you send me yellow roses, would you dare to
kiss my hand
In the morning would you caress me as the wind
caresses the sand
If I was the woman and you were the man

If I was the heart and you were the head
Would you think me very foolish, if one day I decided
to shed
These walls that surround me, just to see where these
feelings led
If I was the heart and you were the head

If I was the woman and you were the man
Would I laugh if you came to me with your heart in your
hand
And said I offer you this freely, I will give you all that I
can
Because you are the woman and I am the man
