Working on a building, a Holy Ghost building

For my Lord, for my Lord

If I was a drunkard I tell you what I'd do

I would quit my drinking and work on that building too

Working on a building, a Holy Ghost building

For my Lord, yeah for my Lord

If I was a liar I tell you what I'd do

I would quit my lying and work on that building too

Working on a building, it's a Holy Ghost building

For my Lord, yeah for my Lord

Working on a building, it's a Holy Ghost building

For my Lord, yeah for my Lord

If I was a singer I tell you what I'd do

I would keep on singing and work on that building too
