Yeh neeli neeli aankhon ko mujh say chhupa lo
Humain zinda rehnay do ae husn walo

Kar sakee na asar kabhi koi sharab aaj tak
Na huwa mera eemaan kharab
Miltay hee tum say nazar rehta nahin koi hosh
Kho loon na tum ko agar to doori say madhosh

Kaun hoon yeh nahin tumhain koi khabar
Wasta bhi nahin koi tum say magar
Jaanay kiyoun tum bin mujhe sooni lagay har ik shaam
Aisee hai uljhan mujhe jis ka nahin koi naam

Na jaanay tum bin mujhe aata nahin kiyoun chaen
Jaanay phir kab millain magar kaajal bharay nain
