Kyun pareshan hai tu  
Kyon pareshan hai tu

Kahi jahan aur bhi hein  
Kitne haseen aur bhi hein, aur bhi hein  
Kyon pareshan hai tu

Tere ishq mein shor machae  
Man charkha ghomta jae  
Pas bulaen, pas bulaen

Kyun pareshan hai tu  
Kyon pareshan hai tu

Kahi jahan aur bhi hein  
Kitne haseen aur bhi hein, aur bhi hein  
Kyon pareshan hai tu

Koi tujh bin aanso bahae, aanso bahae  
Kisi karwat so nahin pae  
Pas bulaen, pas bulaen

Kyun pareshan hai tu  
Kyon pareshan hai tu

Kahi jahan aur bhi hein  
Kitne haseen aur bhi hein, aur bhi hein  
Kyon pareshan hai tu

Tu hi apna log parae, log parae  
Koi kab se aas lagae  
Pas bulaen, pas bulaen

Kyun pareshan hai tu  
Kyon pareshan hai tu

Kahi jahan aur bhi hein  
Kitne haseen aur bhi hein, aur bhi hein  
Kyon pareshan hai tu
