Neend aati nahein, sari sari raat

Koi tuj Sey kahay, mere dil kee baat

Aek tu jo nahein, aaj mere saat

Mujh ko veran lage, saari kaynat

Tere aur mere

Rastey hon kabhi na juda na juda

Kya, jaane koi zinda hai kaise

Meri jaan, yeh zindagi to ho rahi hai veran

Tere bin hai jaan aise badan mein

Jaise tanha ho panchi chaman mein

Koi tuj sey kahay, mere dil kee baat

Aek tu jo nahein, aaj mere saat

Mujh ko veran lage, saari kaynat

Mein to yehi chahoon,

Dooriyan na rahey dooriyan, dooriyan wo,

Aansoon bhari aankhon mey ghole

Din raat, toh baarishon meh bheegta tha mere saath

Aanganon me jo saaye jawan thae

Dhoop me log jaltai kahaan thae

Neend aati nahein

Neend aati nahein

Neend aati nahein

I am looking to have Neend atti nahein by Junoon translated from Urdu to English. I have looked everywhere and have had no luck. The day my husband and I were married we went to a Junoon concert. They played this song and I never got it out of my head. I know very little urdu and would like to know the meaning of this song. It would mean the world to me. thank you
