[ CHORUS: KRS-One ]  
Schoolly D, Schoolly D, Schoolly D, Schoolly D  
Original Gangster in the house, Schoolly D  
Never in your life try to test Schoolly D (4x)

[ VERSE 1: Scholly D ]  
How many times must a brother in America  
That I figure, have to pull on the trigger  
To prove to the world that he is a man  
That's one thing I can never understand  
Cause you're a fluke and a coward and a faggot  
You know suckers like you are on the wagon  
Schoolly-School, and I'm standin on top  
Make it known that I'll never, never, never be stopped  
There ain't a brother in the place any tougher  
There ain't a sucker in the house any rougher  
So tell me why that you wanna be a prankster?  
There's only one Original Gangster

(So hot, so hot, so hot, so hot...)

[ VERSE 2: Scholly D ]  
Schoolly-School, and I'm on it like a doctor  
That is how that you know that I locked ya  
And if you can't understand the reality  
Of a young blackman mentality  
Cheeba, cheeba, and your hand'll keep tokin  
Like a Uzi you know that I'm smokin  
I keep ya dancin, to the rhythm  
That's what Schoolly-School likes to give them  
And then I greet ya, like a skeezer  
I beat ya down like a sucker, then I please ya  
So tell me why that you wanna be a prankster?  
There's only one Original Gangster

[ CHORUS: KRS-One ]

[ VERSE 3: Scholly D ]

So what that your record went platinum?  
I'm the brother that you know that is slappin em  
And then you tell all those suckers you a gangsta  
Well, I'd say you ain't nothin but a prankster  
And if you think that you gonna keep foolin em  
I'm the brother that you know that is schoolin em  
And then you gonna get killed by the Uzi  
I think of all the times that you are a dewsey  
So tell me why that you wanna be a prankster?  
There's only one Original Gangster

[ CHORUS: KRS-One ]

(So hot, so hot, so hot, so hot...)
