Hey girl what's your name  
L-u-v I see your game  
It's okay I do it too  
Make me want to play with you  
Well boy sign the line  
Fools like you don't waste my time  
I aint game to play with you  
Are you gonna follow through  
Step inside we'll take a ride  
Bonnie clyde you and I  
We can do this do or die  
Why don't we just take a drive  
See I'm gangsta I'm gangsta  
We'll play the town prankster  
Using up this bar we play  
Then we make our getaway  
Electropop hot  
Funk addiction when I can't stop  
I may be your sweet spot  
Take me to your candy shop  
Electropop hot  
Funk friction when it's getting hot  
I'm feeling like it's getting hot  
Come on baby what you got  
Electropop hot  
Funk addiction when I can't stop  
I may be your sweet spot  
Take me to your candy shop  
Electropop hot  
Funk friction when it's getting hot  
I'm feeling like it's getting hot  
Come on baby what you got  
Damn girl we're moving fast  
It's a movie who's the cast  
I can be your leading role  
Wont you let me take control  
Like juliet I'm femme fatal  
Take your pick I'll play them all  
Each one satisfies depending on the type of guy  
I'm just a nervous type  
Put me in your spotlight  
I can talk this all night long

Only if we take it home  
Oh man that's not what I'm about

Men without backing out  
That is how I strategize  
So hold your breath for the surprise  
Electropop hot  
Funk addiction when I can't stop  
I may be your sweet spot  
Take me to your candy shop  
Electropop hot  
Funk friction when it's getting hot  
I'm feeling like it's getting hot  
Come on baby what you got  
Electropop hot  
An addiction it's hot  
I may be your sweet spot  
Take me to your candy shop  
Electropop  
Frictions hot  
I'm feeling like it's getting hot  
Come on baby what you got  
Don't want to spend this night alone  
Cause your just what I need  
I'll lock your digits on my phone  
For as much as I tease  
I know this affection may be temporary but  
For Nightlike behavior it is necessary  
Look for tonight yes we're doing it right  
But you got my number if you like what you like  
oh oh mmmmmmm  
oh oh mmmmmmm  
Electropop hot  
An addiction when I can't stop  
I may be your sweet spot  
Take me to your candy shop  
Electropop hot  
Funk Friction when it's getting hot  
I'm feeling like it's getting hot  
Come on baby what you got  
Electropop hot  
An addiction I can't stop  
I may be your sweet spot  
Take me to your candy shop  
Electropop
