Can't you see that it's more than a picture?  
More value than the oldest scripture?  
Man, I tell ya this life may miss ya  
Play your role and they still may diss ya  
But the obvious never felt closer  
'Till the day that she said 'it's over'  
Now exposure became your closure  
Woke you up like a fresh cup of Folgers

I like it anyway  
(Anyway)  
I do it anyway  
(Oh, oh, oh)  
There's really nothing that I really can say  
Yeah  
I'm always on the line  
(The line)  
I'm always on the grind  
I'm always drifting away

I'm feeling like I'm falling away  
Yeah  
I'm feeling like I'm falling away  
And people stop and stare  
But I don't really care  
'Cause I'm not really here  
And you're not really there  
There

I'm feeling like I'm falling away  
Yeah  
I'm feeling like I'm falling away  
And people stop and stare  
But I don't really care  
'Cause I'm not really here  
And you're not really there  
There

I might seem to flicker like a fire light  
Unexpected  
Rescue mission from my dark side  
Senses welling up inside

Realize my open eyes  
Higher and higher  
I am the elevator girl

I'll be up and up  
And away I go  
Breaking through the glass  
I won't stop no more  
Never afraid to fully play the game  
And I'm bringing down the house and I'm collecting  
Greener grass on the other side  
Cunning and fresh, you can't break my stride  
This life is epic and this is my anthem

I'm feeling like I'm falling away  
Yeah  
I'm feeling like I'm falling away  
And people stop and stare  
But I don't really care  
'Cause I'm not really here  
And you're not really there  
There

When I close my eyes it all still looks the same to me  
(Oh, oh, oh, oh, oh)  
Shooting high in the sky  
Cashed into twilight  
Burned into my memory

But, I don't care  
I don't mind  
But it's okay  
And it's alright  
I don't care  
I don't mind  
No

But, I don't care  
I don't mind  
But it's okay  
And it's alright  
I don't care  
I don't mind  
No

I'm feeling like I'm falling away  
Yeah  
I'm feeling like I'm falling away  
And people stop and stare  
But I don't really care  
'Cause I'm not really here

And you're not really there  
There

I'm feeling like I'm falling away  
Yeah  
I'm feeling like I'm falling away  
And people stop and stare  
But I don't really care  
'Cause I'm not really here  
And you're not really there  
There
