Oh Lord, I'm coming home
Been so long I've gone away
Sometimes it's just good to roam
Makes you wanna find your way home

It ain't the same no more, people done changed on me
Can't complain no more 'cause I changed too
I felt strange before like I could not be me
I just got to go, got to go home

Oh Lord, I'm coming home
Been so long I've gone away
Sometimes it's just good to roam
Makes you wanna find your way home

This ain't my place no more, the plan done changed on
me
Can't complain no more 'cause I changed too
I felt insane before like I could not be free
Took another road to find my way home

Oh Lord, I'm coming home
Been so long I've gone away
Sometimes it's just good to roam
Makes you wanna find your way home

We've been to many places, played so many stages
But we're glad we're here 'cause here is home
We've been all the rage in Indonesia and Asia
But we're glad we're here 'cause here is home

Oh Lord, I'm coming home
Been so long I've gone away
Sometimes it's just good to roam
Makes you wanna find your way home

Oh Lord, I'm coming home
Been so long I've gone away
Sometimes it's just good to roam
Makes you wanna find your way home

Oh Lord, I'm coming home

Been so long I've gone away
Sometimes it's just good to roam
Makes you wanna find your way home

Oh Lord, I'm coming home
Been so long I've gone away
Sometimes it's just good to roam
Makes you wanna find your way home

Been so long baby
