Yeah, back in it again
Lemme tell you bout the city I reside in
When the girls are fun fashion and they let you know
what's happenin
My roads is the L.A. scene where them girls walk
around in Dolce jeans
Yall know what I really need, if you got that cream and
you livin the dream
Not to say that I aint that way but I aint that way 'less
you got them funs
Belmont to the Roosevelt, lets drink all day while under
the sun

LA, LA, can I have it like that?
Mr. Nezey, you got it like that!

Boy, you're a classy man,
I could see by your rolex
And you see my jimmy jimmys and we're makin the
connect
When you press me in the hotel I'll be down to be
misdressed
In the elevator, can't wait later to undress
And this love is sugar, daddy all night long
But that don't even matter cuz you got me all wrong
Simple go crazy girl who just like to get it on
Now I'm on a level who makes it go uh uh

Crash, the takers, we are the train makers
The Crash, the takers, we are the train makers
The press, the takers, we are the train makers
The quest, the takers, we are the train makers

In the 818, all the girls say ahh,
All the girls say ahh, all the girls say ahh
In the 323, all the girls say ahh,
All the girls say ahh, all the girls say ahh
In the 310, all the girls say ooo,
All the girls say ooo, all the girls say ooo
In the 818, 323, 310!
