Yeah, back in it again  
Lemme tell you 'bout the city I reside in  
When the girls are fun fashion  
And they let you know whats happenin'  
Melrose is the L.A. scene  
Where them girls walk around in them CK jeans  
Y'all know what I really mean  
If you got that cream  
And you livin' the dream

Not to say that I ain't that way  
But I ain't that way 'less you got them funs  
Belmont to the Roosevelt  
Let's drink all day while under the sun

L.A., L.A., can I have it like that?  
Well, Mr. Nezey, you got it like that!
