Don't be a fool, Billy  
Don't be a fool  
Life can be cruel, the light of your life  
Gave you some strife, Billy

And now you're alone, Billy  
Nobody's at home  
You'll die there alone, looking around  
No one to be found at your humble abode

We'll be there to pick you up  
To light your Bensons, to fill your cup  
We'll be with you 'til the end  
Don't be a stranger

Be a friend  
Billy  
Silly Billy

What's mine is yours, Billy  
What's yours is mine  
It suits us just fine for better or not  
Let's drink to the future and forget the past

We'll be there to pick you up  
To light your Bensons, to fill your cup  
We'll be with you 'til the end  
Don't be a stranger

Be a friend  
Billy  
Silly Billy

Don't be such a fool  
Don't be such a fool  
Don't be such a fool

Silly Billy  
Silly Billy  
Silly Billy  
Silly Billy

Silly Billy  
Silly Billy  
Silly Billy
