One-Two

[Dave Matthews]

A don't stop stop your dreamin  
Let yourself float upon the notion  
We can work it out, we gon work it out baby  
Go ahead lose yourself inside this opportunity  
That we gonna make it right now, make it right now

[Marc 7even]

We live and we learn, we crash and we burn  
Right now my only rhyme is this lesson I learned  
You talk about trust, I talk about lust  
Its not appealin as you truly speak your feelings  
I be lookin at the ceiling, so concealing  
I shoulda put my heart on the table  
Knowin I was good and able but instead I fed your  
fables  
If I could have you back best believe it'd be forever  
Cause each and every day you would hear those four  
letters

[Dave Matthews]

A don't stop stop your dreamin  
Let yourself float upon the notion  
We can work it out, we gon work it out baby  
Go ahead lose yourself inside this opportunity  
That we gonna make it right now, make it right now

[Chali 2na]

These are different times but we feel the same pains  
The blood of mankind runnin through the same veins  
We'd like to make it right some which it remain tame  
Same crimes even though they names changed  
And we like different minds workin off the same brain  
Passengers on different cars steppin off the same train  
In the end, makin it rights the main aim  
Different parts of the picture highlight the same frame

[Dave Matthews]

A don't stop stop your dreamin  
Let yourself float upon the notion  
We can work it out, we gon work it out baby  
Go ahead lose yourself inside this opportunity  
That we gonna make it right now, make it right now

[Akiil]

Now if you know what I know you need to work it out  
If you ain't happy with yourself you need to work it out  
You havin problems with your family then work it  
The things we go through just to work it  
I work it out when the situations seems unworkable  
Unreversible but God is most merciful  
Many works, Many men converse  
With soul search sweat it out  
When they tryin to work it out

[Soup]

With the constant complaint, we other gonna make it fly  
Or we aint, I already know what some of ya think  
Ima talk a hip hop and how bad it's got  
Then tryna pull a brother, im not  
Lookin for nobody to judge, you said you ain't I never  
thought you was  
Im just tryna get with ya and pose in the same picture  
So this mic thing can move the right thing do the right  
thing  
Made for your life game, plus my man might sing

[Dave Matthews]

A don't stop stop your dreamin  
Let yourself float upon the notion  
We can work it out, we gon work it out baby  
Go ahead lose yourself inside this opportunity  
That we gonna make it right now, make it right now

A don't stop stop your dreamin  
Let yourself float upon the notion  
We can work it out, we gon work it out baby  
Go ahead lose yourself inside this opportunity  
That we gonna make it right now, make it right now
