I don't understand! Why are you being so mean?
You're a mean mean man!

[Chorus]

You are just jealous of me cause you, you just can't do
what I do
So instead of just admitting it, you walk around and say
All kinds of really mean things about me
cause you're a meanie, a meanie
But it's only cause you're, just really jealous of me
Cause I'm what you want to be, so you just look like an
idiot
When you say these mean things, cause it's too easy to
see
You're really just a big weenie, big weenie

[Verse 1]

Alright listen, I need you to focus
I need you to go dig deep in your mind, this is
important
We are going to perform an experiment of the sorts
I'm going to have to ask you to bear with me for a
moment
Now I need you to open, your mind - your eyes close
'em
You are now about to be placed under my hypnosis
For the next four and a half minutes, we are going to
explore
into your mind to find out why you're so fucking jealous
Now why did they make Yoo-Hoo? Hippity ga-ga boo-
boo
Psych I'm kidding, I just wanted to see if you're still
listening
Okay, now I need your undivided attention
Sir I have a question - why do I always sense this
undeniable tension, from the moment that I enter into
the room
It gets all quiet and whispers
Whenever there's conversation, why am I always
mentioned?
I've been dying to ask, it's been itchin at me, is it just

because

[Chorus]

[Verse 2]

Alright now I, I just flubbed a line
I was going to say something extremely important
But I forgot who or what it was - I fucked up
Psych I'm kidding again you idiot, no I didn't
That's just what you wanted to hear from me is that I
fucked up, ain't it?
But I can bust one take without lookin at no paper
{*crumple*}
It doesn't take a bunch of takes or me to stand here in
this booth all day
For me to say the truth, okay? You're drooling, you
have tooth decay
Your mouth is open, you're disgusting, what the fuck
you eat for lunch?
A bunch of sweets or something, what? You munch a
bunch of Crunch 'N Munch?
Your tooth is rotten to the gum, tour breath stinks,
wanna chew some gum?
Yes I do sir, what am I on? You sir are on truth serum
Marshall I'm so jealous of you, please say you won't tell
nobody
I'd be so embarrassed, I'm just absolutely terrified
That someone's gonna find out why I'm saying all these
terrible
evil and awful mean things, it's my own insecurity!

[Chorus]

[Verse 3]

Alright now we, we're going to conduct
That experiment that we were talking about earlier
Just to see what a frog, looks like when it takes two hits
of ecstasy
Cause that's exactly what your eyes look like, want to
check to see?
Here's a mirror, notice the resemblance here?
Wait, let me put these sunglasses on, now look in this
mirror
How about now? What do you have in common?
You're both green with envy and look like idiots with
sunglasses on 'em
You look like I sound like, singing about weenies
Now take my weenie out of your mouth
This is between me and you, I know you're not happy
I know you'd much rather see me lying in the corner of
a room

somewhere crying, curled up in a ball tweaked out of
my mind dying
There is no denying that my weenie is much bigger
than yours is
Mine is like sticking a banana between two oranges
Why you even doing this to yourself, it's pointless
Why do we have to keep on going through this, this is
torturous
My point is this - that if you say mean things, your
weenie will shrink
Now I forgot what the chorus is, you're just a..

[Chorus]

[Eminem]

Get the fuck off my dick!
