[sample from "Crazy on You" by Heart]

Tell myself that I was doing alright  
There's nothing left to do tonight  
But go crazy on you.. crazy on you!  
Let me go crazy, crazy on youuuuuuuuuu-ohhhhhh

[Verse 1]

Can't you see what you do to me baby?  
You make me crazy, you make me act like a maniac  
I'm like a lunatic, you make me sick  
You're truly the only one who can do this to me  
You just make me get so crazy  
I go schizo, I get so insane I just go schizophrenic  
One minute I want to slit your throat, the next I wanted  
sex  
You make me crazy, the way we act like two maniacs in  
the sack  
We fuck like two jackrabbits and maybe that's a bad  
habit  
Cause the next day we're right back at it  
In the same exact pattern  
What the fuck is the matter with us?  
We can't figure out if it's lust  
or it's love which that is attractin us to each other  
They say that every man grows up to marry his own  
mother  
Which would explain why you're such a motherfuckin  
bitch  
but I stay and still stick it out with you  
even though I just hit you today  
But you deserve it you hit me first and provoked me to  
choke you  
Just cause I came home late last night crawled in bed  
and I woke you  
But if there's one thing about you that I admire it's baby  
Because you stay with me, maybe, because you're as  
crazy as I am  
Cause when I look at you I can see an angel in your  
eyes  
But if I look deeper inside I see your freakish little side  
Like a devil in disguise, you're always full of surprises

Always pullin devices out your personal vibrators and  
dildos  
You fucked yourself so much you barely feel those  
anymore  
You're only 24 but you're plenty more ma-ture  
than those other little hoes who just act like little girls  
Like they're in middle school still you're crazy sexy  
cool, chillin  
You play your position you never step out of line  
Even though I stay in your business you've always kept  
out of mine  
I wonder what's on your mind, sometimes they say love  
is blind  
Maybe that's why the first time I dotted your eye you  
ain't see the sign

[Chorus]

[Eminem - over first two lines of Chorus]  
Or maybe you did, maybe you like me and stuff  
Maybe cause we're crazy in loooove

[Eminem]  
You are the ink to my paper, what my pen is to my pad  
The moral, the very fiber, the whole substance to my  
rap  
You are my reason for being, the meaning of my  
existence  
If it wasn't for you I would never be able to spit this  
as intense as I do and the irony is you rely on me  
as much as I rely on you to inspire me like you do  
You provide me the lighter fluid, the fuel to my fire  
You're my entire supply - gas, the match, and igniter  
The only way that I am able to stay so stable is you're  
the legs to my table  
If you were to break I'd fall on my face  
But I'm always gonna make you feel I don't need you as  
much  
as I really need you so you don't use it to your  
advantage  
But you're essential to me you're the air I breathe I  
believe  
if you ever leave me I'd probably have no reason to be  
You are the Kim to my Marshall you're the Slim to my  
Shady  
The Dre to my Eminem, the Elaina to my Hailie  
You are the words that I'm lookin for when I'm tryin to  
describe  
how I feel inside and the right one just won't come to  
my mind  
You're like the pillar that props me up, the beam that

supports me  
The bitch who never took half, the wife who never  
divorced me  
You're like the root to my evil, you let my devil come  
out me  
You let me beat the shit out you before you beat the  
shit out me

[Chorus]

[Eminem - over first two lines of Chorus]  
And no matter how much, too much is never enough  
Maybe cause we're crazy in loooove
