(ZAAKIR)

Well my name, Zaakir
I'm versatile
And plus I never eat the cow if ain't Hala'l
Why you rappin with the styles in the third degree
Myself and 7even tight like cornbread Earl and me
Showcase with the voice that's Oh so fresh
And I can still serve a brother in a minute or less
I can talk all day but I'ma save my breath
And let my nigga' Marc 7even just do the rest

(MARC 7even)

I'll do the rest, but I won't rest
Gettin' fresh off of any beat you suggest
High tech with the combination we prepare
Rap concierge behind there kickin' the snare
Now check it
Marc's the word
7even marks the spot
Guaranteed to keep it hot
If you like it or not
MCs is ink blots
We verbal hotshots
Taking the top spot
We clutch and top notch

(ZAAKIR)

And together we, will forever be
High Fidelity
Definitely
Switching the melody
Can it be
The Casanova speech therapy
That heavenly puts the flavor right where it should be
My words have been connected to the poets of old
The way I utilize the pen and turn ink to gold
Keep it overly creative
Innovator of soul
Now check the flavor from the fader
Which my DJ holds

-SAMPLES-

(BOTH 2X)

And together we,
Will forever be
High Fidelity
Definitely
Switching the melody
Can it be the brothers that you rarely see
They got together for the better
Whether him or me
And together we,
Will forever be
High Fidelity
Definitely
Switching the melody
Can it be the brothers that you rarely see
They got together for the better
Whether him or me

(MARC 7even)

You better remember these
Incredible MCs
Our sounds invade spread plagues just like a leprosy
Our weapons be our vocals
Guaranteed to smoke you
Better think twice about stepping with nice
Never focused on ice
And still coming off tight
It's like the color of night
I mean the beat is so right
Damn
Soup and 7even
Infiltrate your heart
The beat that's compliment of DJ Numarc

(ZAAKIR)

And it's the fifth element
Never repetitive
Highly competitive
Classy and elegant
Super intelligent we telling it to ladies and gents
Never irrelevant now do I have to say it again

(MARC 7even)

The fifth element
Never be hesitant
Totally accurate
Present or past tense
We immaculate in fact you get a whole crew

Backin' it
Situating my 2-in. staple
Show you what we working with

(BOTH 1X)

And together we,
Will forever be
High Fidelity
Definitely
Switching the melody
Can it be the way that we demonstrate
Our wonder twin powers we activate

(ZAAKIR)

I'll tear up competitors
Pluck 'em like chicken feathers
I'm better than ever
Incredible poetical editor
You'd better be better
Whenever, wherever
With clever endeavors
Endeavors when me and 7even rappin' together

MARC 7even)

Your style is post mortem
No decorum
Style borin
We explorin'
You ignorin'
I'm the foreman
Longshoreman
And I'm sure when you touring
That you whack and you boring
