[Eminem]

Still love me? Take this {\*guns cocked\*}  
You ready? One, two, three! {\*two shots\*}

[Chorus: Eminem]

The more you, put me through  
The more it makes me wanna come back to you  
You say you hate me? I just love you more  
You don't want me, I just want you more  
I buy you flowers, you throw 'em at me  
I know it's sad but it's makin me happy  
The more that you slap me, the more that it turns me  
on  
Cause you love me, and I love you more

[Verse 1]

It's sick but who could ever predict, we'd be doin the  
same shit  
We say we do it for our baby but we don't  
We do it for us, it's lust, cause neither one of us trust  
each other  
So we fuck 'til we bust and we cuss each other, out  
We know what it's about, SHOUT  
'til I throw you out the house, you throw me out the  
house  
I throw you on the couch, punch you in the mouth  
Fistfight 'til we turn this mother out  
Then apologize after, laughter, pain  
It's insane we're back in the same chapter again  
And it's sad but it's true, when I'm layin here with you  
There ain't nothin anyone could ever say or ever do  
cause

[Chorus]

[Verse 2]

Cause I hate you, do you hate me?  
Good - cause you're so fuckin beautiful when you're  
angry  
It makes me, wanna just take you and just throw you  
on the bed and fuck you like I don't even know you

You fuck other people and I fuck other people  
You're a slut, but I'm equal, I'm a mutt, we're both evil  
in our ways but neither one of us would ever admit it  
Cause one us would have one up on the other so forget  
it

We can make accusations, people spread rumors  
But they ain't got proof, if they do it's just the two of us  
It's you and me, cause any chick can say that she  
screwin me

But you gotta believe me to a degree cause true  
indeed

if you didn't I wouldn't be hittin.. yeah I would  
Cause the sex is too damn good, if I ran who would I  
run to

that would be this soft and warm

So it's off and on, usually more off than on  
But at least we know, that we share this common bond  
You're the only one I can fuck without a condom on  
I hope, the only reason that I cope is cause of that fact  
And plus I can bust in that and that's why

[Chorus]

[Verse 3]

I can never understand it, that's why I don't try  
From junior high until we both die, it's silly  
Oh why must we try, is it really so rough  
that we must always call each other's Billy Goat's  
Gruff?

Try to pull each other's legs, until the other begs  
We're lyin to ourselves, that's the beauty of it geah  
Cause we truly love each other, that's why we always  
fightin

All we do is shove each other every other fuckin night  
And it's clear it ain't gonna change, it's pent up rage  
we both had, we both feel like we've been upstaged  
by someone else, we've both been with someone else  
And someone else's problems neither one wants help  
It's an addiction and it can't be fixed

Our family's mixed up, there's a baby sister in the mix  
And it hurts cause the pieces to the puzzle don't fit  
And anybody who thinks they know us doesn't know  
shit

And they're probably just tired of hearin it all the time  
On every song, every lyric and every rhyme  
All the hoop-la, all the whoop-woo  
What you put me through, fuckin whoop-woo  
But I won't be made a fool of, if this is true love  
you wouldn't do what, you did last time, you wouldn't  
screw up

this time, cause this time girl I'm tellin you what

You do it again I'm fuckin you up

[Outlude]

No matter what you say, or what you do  
I'ma hunt you down 'til I find you  
No matter where you run, I'll be right there  
Right behind you, in your nightmares  
So I brought you the flowers, and the candy  
All the times that you threw it back at me  
So when you hate me, you gon' hate me more  
When you find out, you can't escape me where

[Chorus]
