[Chorus: Eminem]

Sayin goodbye, I'm sayin goodbye to Hollywood

Sayin goodbye, I'm sayin goodbye to Hollywood

Sayin goodbye, I'm sayin goodbye to Hollywood

Sayin goodbye, I'm sayin goodbye to Hollywood

(Hollywood!!!)

Sayin goodbye, I'm sayin goodbye to Hollywood {Why do I feel this way?}

Sayin goodbye, I'm sayin goodbye to Hollywood

Sayin goodbye, I'm sayin goodbye to Hollywood

Sayin goodbye, I'm sayin goodbye to Hollywood

[Eminem]

I thought I had it all figured out, I did

I thought I was tough enough to stick it out with Kim

But I wasn't tough enough to juggle two things at once

I found myself layin on my knees in cuffs

which shoulda been a reason enough, for me to get my stuff

and just leave - how come I couldn't see this shit myself?

It's just me, nobody couldn't see the shit I felt

Knowin damn well she wasn't gonna be there when I fell

to catch me, the minute shit was heated, she just

bailed

I'm standin here swingin like thirty people by myself

I couldn't even see the millimeter when it fell

Turned around saw Gary stashin the heater in his belt

Saw the bouncers rush him and beat him to the ground

I just sold two million records, I don't need to go to jail

I'm not about to lose my freedom over no female

I need to slow down, try to get my feet on solid ground,

so for now I'm..

[Chorus]

[Eminem]

I bury my face in comic books, cause I don't want to look

at nothin, this world's too much, I've swallowed all I could

If I could swallow a bottle of Tylenol I would  
And end it for good, just say goodbye to Hollywood  
I probably should, these problems are pilin all at once  
Cause everything that bothers me, I got it bottled up  
I think I'm bottomin out, but I'm not about to give up  
I gotta get up, thank God, I got a little girl  
And I'm a responsible father, so not a lot of good  
I'd be to my daughter, layin in the bottom of the mud  
Must be in my blood cause I don't know how I do it  
All I know is I don't want to follow in the footsteps  
of my dad, cause I hate him so bad  
The worst fear that I had was growin up to be like his  
fuckin ass  
Man if you could understand why I am the way that I am  
What do I say to my fans when I tell 'em I'm..

[Chorus]

[Eminem]

I don't wanna quit, but shit, I feel like this is it  
for me to have this much appeal like this is sick  
This is not a game, this fame, in real life this is sick  
Publicity stunt my ass, consume my fuckin dick  
Fuck the guns, I'm done, I'll never look at gats  
If I scrap, I'll scrap like I ain't never whapped some ass  
I love my fans, but no one ever puts a grasp  
on the fact I've sacrificed everything I have  
I never dreamt I'd get to the level that I'm at  
This is wack, this is more than I ever coulda asked  
Everywhere I go, a hat, a sweater hood or mask  
What about math, how come I wasn't ever good at that?  
It's like the boy in the bubble, who never could adapt  
I'm trapped, if I could go back, I never woulda rapped  
I sold my soul to the devil I'll never get it back  
I just wanna leave this game with level head intact  
Imagine goin from bein a no one to seein  
everything blow up and all you did was just grow up  
emceein  
It's fuckin crazy, cause all I wanted was to give Hailie  
the life I never had, instead I forced us to live alienated  
So I'm sayin..

[Chorus]

[Outro: singing]

Goodbye  
Goodbye Hollywood (Goodbye)  
Please don't cry for me (It's been real)  
When I'm gone for good (This shit is not for me)  
So goodbye  
Goodbye Hollywood (I'm not a fuckin star)

Please don't cry for me (No way)  
When I'm gone for good (I'm goin back home)
