We know something you don't know
And if we don't share then we don't grow
Unibomb will set the whole world on fire

[Chali 2na]

We make you feel the heat
This lyric liquid my gills secretes
Ill speaks, spills and leaks
Till it feels and reveals the beat
Now my bills don't make me feel complete
Only the wonders of dark can repel and dispel deceit
Burn opponents until they smell defeat
I repeat, turn on opponents when they yell retreat
On the beat, my brain cells are tweaked
From insane levels of heat
From the fish with the carnivorous teeth

Finesse in the shot
Connecting the dots
We working the spot
Were picking the plot
It's extra hot
I punch the dot
Rock to the detective
Come and inspect
The squad

[Akil]

I know they're not hot, and singing this shot
With Erica Shay rhythm that be rocking the spot
I secure my serve it's the purpose sound
I defeat your whole crew with verses pop
Electrical burnout we turn out
Fast and Furious flames
You'll get the word out
You heard about what we about
From the horse or by word of mouth
Turn it out without a doubt
No fear always speaking out
We haul ass, a smash, outlast and surpass
(Feel the blast) So the whole world lovin' like OutKast
The heat provider, yo heat up the cipher

Spark up the base with mics and start a fire

[Chorus]

The format is down pat rest assured that
It's the Akil, Chali 2na you the mumma track
We always give you that
Stand or fear wrath
5, 4, 3, 2, 1 time to blow back
The format is down pat rest assured that
It's the Akil, Chali 2na you the mumma track
We always give you that
Stand or fear wrath
5, 4, 3, 2, 1 time to blow back

[Chali 2na]

This is the soul jam victory chafer
Your whole damn fantasy aim
It's from the old trend Pickery Baker
That old man trickery changed the game
Put it in danger even invade your fame
My task is to try and excel past
The hell mast, the glamour and gliss
Can smell gas
and will the foul trash absorb the shell blast
Like that was the most bombed hotel
Like Belfast
(BOOM)

[Akil]

My rhythm rebel I never fail
Just push it to the limit when I'm serving a whale
Yo cunts and kill, roll up another ale
But can't fuck with this young tough black male
My hands on experience
No limit it's top notched deliverance
(Sound-Boy killer shit)
Protect the fame in the names of the innocent
Sparks the fame hard reign you cant extinguish it

[Chali 2na]

The brothers of penmanship and the pen they test to
I flow like the most sensitive parts in rest rooms
Even in west rooms are legends of Neptune
Investigation pending on making arrests soon
But until then, me look a corn way
I'm free to rock the mic like Rebecca Demauna
Incapable foreplay rappers do what the song say
If you should give it to them the wrong way

[Chorus]

The format is down pat rest assured that

It's the Akil, Chali 2na you the mumma track
We always give you that
Stand or fear wrath
5, 4, 3, 2, 1 time to blow back
The format is down pat rest assured that
It's the Akil, Chali 2na you the mumma track
We always give you that
Stand or fear wrath
5, 4, 3, 2, 1 time to blow back

We know something you don't know
And if we don't share then we don't grow
You're the bomb that set the whole world on fire
