"Obie Trice, real name no gimmicks" -> Obie Trice

[Intro]

Two trailer park girls go round the outside;
round the outside, round the outside

{*scratches*}

Two trailer park girls go round the outside;
round the outside, round the outside

{*scratches*}

Guess who's back

Back again

Shady's back

Tell a friend

Guess who's back, guess who's back, guess who's
back, guess who's back

guess who's back, guess who's back, guess who's
back.. {*Eminem hums*}

[Verse One: Eminem]

I've created a monster, cause nobody wants to see
Marshall no more

They want Shady, I'm chopped liver (huh?)

Well if you want Shady, this is what I'll give ya

A little bit of weed mixed with some hard liquor

Some vodka that'll jump start my heart quicker

than a shock when I get shocked at the hospital

by the doctor when I'm not co-operating

When I'm rockin the table while he's operating (hey!!)

You waited this long, now stop debating

Cause I'm back, I'm on the rag and ovu-lating

I know that you got a job Ms. Cheney

but your husband's heart problem's complicating

So the FCC won't let me be

or let me be me, so let me see

They try to shut me down on MTV

But it feels so empty, without me

So, come on and dip, bum on your lips

Fuck that, cum on your lips, and some on your tits

And get ready, cause this shit's about to get heavy

I just settled all my lawsuits, FUCK YOU DEBBIE!

[Chorus: Eminem]

Now this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, without me
I said this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, without me

[Verse Two: Eminem]

Little Hellions, kids feelin rebellious
Embarrassed their parents still listen to Elvis
They start feelin like prisoners helpless
'til someone comes along on a mission and yells
BITCH!!!
A visionary, vision of scary
Could start a revolution, pollutin the airwaves
A rebel, so just let me revel and bask
in the fact that I got everyone kissin my ass {*smak*}
And it's a disaster, such a catastrophe
for you to see so damn much of my ass; you asked for
me?
Well I'm back, na-na-na-na-na-na-na-na-na-na
{*bzzt*} Fix your bent antenna tune it in and then I'm
gonna
enter in, endin up under your skin like a splinter
The center of attention, back for the winter
I'm interesting, the best thing since wrestling
Infesting in your kid's ears and nesting
{*bzzt*} Testing, attention please
Feel the tension, soon as someone mentions me
Here's my ten cents, my two cents is free
A nuisance, who sent? You sent for me?

[Chorus]

[Verse Three: Eminem]

A-tisket a-tasket, I go tit for tat with
anybody who's talkin this shit, that shit
Chris Kirkpatrick, you can get your ass kicked
worse than them little Limp Bizkit bastards
And Moby? You can get stomped by Obie
You thirty-six year old baldheaded fag, blow me
You don't know me, you're too old, let go
It's over, nobody listen to techno
Now let's go, just gimme the signal
I'll be there with a whole list full of new insults
I been dope, suspenseful with a pencil
ever since Prince turned himself into a symbol {*knife

slices* }

But sometimes the shit just seems
everybody only wants to discuss me
So this must mean I'm dis-gus-ting
But it's just me, I'm just obscene
No I'm not the first king of controversy
I am the worst thing since Elvis Presley
to do black music so selfishly
and used it to get myself wealthy
(Hey!!) There's a concept that works
Twenty million other white rappers emerge
But no matter how many fish in the sea
It'll be so empty, without me

[Chorus]

{*Eminem sings this twice:
"Chem-hie-la-la-la, la-la-la-la-la
La-la-la-la-la, la-la-la-la"*}

[Eminem] Kids!
