Touch my skin and tell me what you're thinking
Take my hand and show me where we are going
Lie down next to me, look into my eyes
And tell me and tell me what you're seeing

So sit on top of the world
And tell me how you're feeling
What you feel is what I feel for you

Take my hand if I'm lying to you
I'll always be alone, if I'm lying, to you
Take your time if I'm lying to you
I know you'll find what you believe in, you believe in

You believe in

See my eyes, they carry your reflection
Watch my lips and hear the words I'm telling you
Give your trust to me, look into my heart
And show me, show me, what you're doing

So sit on top of the world
And tell me how you're feeling
What you feel is what I feel for you

Take my hand if I'm lying to you
I'll always be alone, if I'm lying, to you
Take your time if I'm lying to you
I know you'll find what you believe in, you believe in

You believe in
