I know that I'm no longer considered young
 But with this feeling it's like teenage just
 began
 I've gone through tough times
 And I can say that I have grown
 So I should be able to control what's going
 on
 But no, this was not my intention
 Oh no, just erase this connection cause I
 don't want to fall for you
 I'm scared that you just might fall for me
 too
 I don't want to feel for you
 I'm scared that you just might feel for me
 too
 Feel for me too
 You try too hard to hide the spark in your eyes
 And I ignore it even if it excites me deep inside
 Cause I'm strong and I know
 it's wrong
 And to each other we simply don't belong
 So I should be able to control what's going
 on
 But no, this was not my intention, oh no

Oh no, let's just erase this connection
 cause I
 don't want to fall for you
 I'm scared that you just might fall for me
 too
 I don't want to feel for you
 I'm scared that you just might feel for me
 too
 I don't want to fall, fall for you
 I'm scared that you just might fall for me
 too
 And I don't want to feel for you
 I'm scared that you just might feel for me
 too
 Feel for me too
 Ooooooh, this is dangerous
 Let's not be adventurous

This could change our lives for the better
But what if for the worse?
I don't want to fall for you
