You're a morning kind of person
Everything is spic and span
I could live with all the clutter
Stay so late at night I can
I would often think it out loud
Say whatever's on my mind
You would rather keep your mouth shut
Leave the details all behind

You take me just as I am
No more, no less, just as I am, oh yeah

I wanna go right, you'd rather go left
I wanna go fight, you'd rather be quiet
I wanna be right, you'd rather be wrong
I wanna be weak, you'd rather be strong
Movin' along, singin' our song
Opposites do attract
Needing each other, always together
Opposites do attract

You would rather choose to follow
I would rather lead the play
I would do it all tomorrow
You would do it all today
I just want the nitty-gritty
You would rather summarize
Every detail of the story
That you never emphasize

You take me just as I am
No more, no less, just as I am, oh yeah

I wanna go right, you'd rather go left
I wanna go fight, you'd rather be quiet
I wanna be right, you'd rather be wrong
I wanna be weak, you'd rather be strong
Movin' along, singin' our song
Opposites do attract
Needing each other, always together
Opposites do attract

You take me just as I am
No more, no less, just as I am, oh yeah

I wanna go right, you'd rather go left
I wanna go fight, you'd rather be quiet
I wanna be right, you'd rather be wrong
I wanna be weak, you'd rather be strong
Movin' along, singin' our song
Opposites do attract
Needing each other, always together
Opposites do attract

Movin' along, singin' our song
Opposites do attract
Needing each other, always together
Opposites do attract

Movin' along, singin' our song
Opposites do attract
Needing each other, always together
Opposites do attract

Movin' along, singin' our song
Opposites do attract
Needing each other, always together
Opposites do attract
