I, can not imagine your voice  
It seems like you're so far away  
It seems like there's nothing to say  
And I don't know you

Where, where are you going today  
We have been waiting so long  
All of my feelings are wrong  
But I wish that you were

All along I  
Was everything I wanted wrong I  
Could be the man I'm all alone I  
Still waiting for you  
And I'm still waiting

Hate, all your intentions are late  
All of my feelings are wrong  
Why do we not get along  
But I don't know you

All along I  
Was everything I wanted wrong I  
I could be the man I'm all alone I  
Still waiting for you  
Yeah I'm still waiting

All could be wrong  
And I'm still here alone  
I'm waiting for you  
Yeah, I'm still waiting

All along I  
Was everything I wanted wrong I  
Could be the man I'm all alone I  
Still waiting for you

All along I  
Was everything I wanted wrong I  
Could be the man I'm all alone I  
Still waiting for you  
And I can imagine

All along I  
Was everything wrong  
I'm waiting along  
And I'm waiting for you  
And I can imagine you
