I hear songs on the radio
They might be fast or they might be slow
But every song they play's got be thinkin' bout you
I see a fella walking down the street
He looks at me and he smiles so sweet
But he don't matter to me
'cause I'm thinkin' 'bout you
Every little dream I dream about you
Every little thought I think about you
It drives me crazy when you go away
I oughta keep you locked up at home
And like a wild horse I wanna break you
I love you so much I hate you
Every little thing reminds me of you
Honey when you leave me here all alone
My tongue gets tied when I try to talk
My knees get weak when I start to walk
So I might as well stay home
And keep thinkin' 'bout you
The "Young and Restless" on my TV set
That's just like us when we first met

And when they start to kissin'

Got me thinkin' 'bout you

Every little dream I dream....(x2
