Two blue hearts steppin' off a nowhere train  
Standin' on a one-way street dreamin' 'bout a long sea  
cruise  
Gonna have a brand new start  
Gonna have a grand new part to play  
We're gettin' off a nowhere train

We won't turn back, we got someplace to be  
A better life ahead for the likes of you and me  
Leave our sorrows behind  
That was a bad ole time we had  
We're gettin' off a nowhere train

We were young and we were runnin'  
Like our life depended on it  
But that ain't no way to live, now is it dear  
There were stars a fallin' far and wide  
To guide us on our nowhere ride  
You don't know where you're goin'  
'Til it's the end of the line

Two blue hearts standin' on a dead-end track  
Lookin' like the eat drug in dreamin' 'bout a moonlit  
kiss  
Gonna have a life real sweet  
Keep it all nice and neat somehow  
We're gettin' off a nowhere train

With this change of reservation  
We'll arrive our destination  
No memories to haunt us in this world  
With these miles of life behind us  
There's no sadness here to bind us  
No reason to look back  
Now we're just lookin' up ahead

Two blue hearts steppin' off a nowhere train  
Standin' on one-way street dreamin' 'bout a long sea  
cruise  
Gonna have a life real sweet  
Keep it all nice and neat somehow

We're gettin' off a nowhere train  
Oh, darlin', you and me  
We're gettin off a nowhere train
