"Unbreakable Heart"

An empty house
A broken fairytale
A hollow girl with empty arms
>From an angel's tears
God made the stars
Why can't He make me
An unbreakable heart
In my blue world
You shone like heaven's fire
And left me cryin' in the dark
How could anyone
Be so hard
Did you think I had
An breakable heart
I suppose I should know
Sometimes love just comes and goes
But I believed, foolish me
We'd go on and on
One day someone will come to you
And rock you tightly in her arms
Please remember this
When you drop your guard
Nobody has an unbreakable heart
>From an angel's wings to a fallen star
God makes everything
But unbreakable hearts
