

## Just Above Jealous "No. 9"

Visit "[No. 9](#)" on [MotoLyrics.com](http://MotoLyrics.com)

It's obscene

The way it falls

Makes skin crawl

Ash the wall

Slam it down

Journey round

Taking off a cloth

Touchin' where it's soft

Pump and play

It's on all day

Hidden in dark

Lighting a spark

Sweet tobacco

A smell that kills

Pick your poison

Ride the thrill

[Chorus]

Painful smack

Red and black

Chine in anytime

With a new rhyme

Forget the cuffs  
That's enough  
It'll seem fine  
Give it some time  
Number nines  
Number nines  
Walking and talking  
Rings of rose  
Rising blue  
Curl the toes  
Watch your head  
Out of bed  
Fingers bent  
To catch the scent  
[Chorus]
