Your touch is cold

You think you're bold

We've been through this before

Pull my hair

In the chair

Move it to the floor

[Chorus]

You want me now

And I can't see how

I can say no

You want me now

I can't see how

But I love you so

Seems run down

Don't make a sound

Try to stay awake

We want it all

Against the wall

Guess it's make or break

[Chorus]

So here we are

You'll leave a scar

But for now it's cool

You're in a daze

From that purple haze

Just don't break the rules

[Chorus X2]
