I'm leaving, tommorow ...  
And I don't know, why.  
There's something, that's not right with my soul,  
I have no goal, I have no goal.  
I'm leaving shallow waters,  
I'm leaving all my dreams of you,  
I can't go on, I want to run away...  
I think I'll go today.  
Tommorow, it won't help me at all,  
It won't help me at all.  
There's something, that I told you and,  
You don't know, that it's true,  
Oh, that it's true now ...  
I'm leaving shallow waters,  
I'm leaving all my dreams of you,  
I can't go on,  
I want to run away ...  
I'm leaving shallow waters,  
All my dreams of you,  
I can't go on, I want to run away,  
Run away, I think I'll go today,  
'cos you know, tommorow,  
It won't help me at all,  
It won't help me at all.  
Shallow waters,  
All my dreams of you,  
I can't go on,  
I'm leaving shallow waters
