You don't understand what we're talkin 'bout  
We don't play by the rules we just make 'em up  
And we don't have to take, take it anymore  
What you think, what you say, we just tune it out.

And we don't care if we cause a commotion, yeah  
We're just living our lives in fast motion  
Because it's just how we do

We're sick, we're bad, we're ill, we're mad  
We're wicked crazy, yeah we're all that  
We're stupid, we're nuts, we'll never give up  
We're so ridiculous, yeah we're all that

All we have is time and all of it's blur  
Gonna run through the streets, gonna stop the world  
Got nowhere to go but everything to do  
Don't you look cuz you know you will want it too

And we don't care if we cause a commotion, yeah  
We're just living our lives in fast motion  
Because it's just how we do

We're sick, we're bad, we're ill, we're mad

We're so ridiculous, yeah we're all that

No we're not here to hurt no one  
This is our time and we'll have fun  
We're gonna make things happen  
That you never could imagine

No we're not here to hurt no one  
This is our time and we'll have fun  
We're gonna make things happen

Yeah

Yeah we're all that

We're all that
