Yeah,hey,hey!

Big cheer for what you do  
Got everyone dreamin''bout you  
Star of the team and A grades  
Can'find a pimple on your face

Someone broke the mold  
When they made you  
Makes me wonder what you had to do

You always know just what to say  
No one ever forgets your name  
You put all of us to shame  
U suck!U suck!

You're the hero everyday  
Who did you save?  
I just can't say  
It don't matter when you look their way  
You got a smile that makes sinners pray

Someone broke the mold  
When they made you  
Makes me wonder what you had to do  
You always know just what to say  
No one ever forgets your name  
You put all of us to shame  
U suck!U suck!

When you're alone and the lights turn out  
What do you really think about  
'Cause in the dark no one can see  
Doesn't that make you just like me?

U suck!U suck!U suck!U SUCKKKKKK!

You always know just what to say  
No one ever forgets your name  
You put all of us to shame  
U suck!

Perfect is just what you do  
Every lie you say rings true  
God just can't compare to you  
U suck!U suck!

Hey,hey Yeah!
