Some things will never change
You'll always be the same
Take a walk in somebody else's shoes
I bet it feels so good not to be you
Do you even know who you are?
'Cause I think you've lost yourself
Yeah-ah-ah

[Chorus:]

Take a quick look and tell me what do you see
Yeah I'm everything that you wanted to be
And so much more, yeah, yeah
And maybe some things can change for the better
But I don't think anything can be worse than this
For you, worse than this, worse than this for you

Not to be rude
But you need to learn the truth
'Cause your always thinking about yourself
Never once have you thought about someone else
Hate to say I told you so
But you're not the same as I used to know
No-o-o

[Chorus]

(I almost felt sorry for you)
And maybe some things can change for the better
But I don't think anything can be worse than this
For you, worse than this, worse than this for you
Worse than this, worse than this for you
Worse than this, worse than this for you

Take a quick look and tell me what do you see
Yeah I'm everything that you wanted to be
And so much more, yeah, yeah

[Chorus]
