Just one more hour  
And I'll know the truth that separates the right  
From all the wrong feelings that  
You have about me your grace is distracting me

So white out the memories  
Of each sarcastic shot you took at me  
With your hurtful tones and biting melodies

Just one more outburst  
And I'm leaving you like you left me one year ago  
And I know that this could never be an apology from  
you

A meaning buried  
Under shuttered breathing  
Its taking too long for me to spit it out

Tell me everything will be alright  
Close your eyes and dream of me tonight  
Tell me that you won't just fade away  
Cross my heart and hope to die tonight I'll dream my  
pain away

I'll let the lack of words speak for me  
The way I am I can't express or understand  
I'll take the time now to make you see (you see)

Tell me everything will be alright  
Close your eyes and dream of me tonight  
Tell me that you won't just fade away  
Cross my heart and hope to die tonight I'll dream my  
pain away

I see through your lies, they're bleeding from your  
eyes.

Tell me everything will be alright  
Close your eyes and dream of me tonight  
Tell me that you won't just fade away  
Cross my heart and hope to die I'm on my way

Tell me everything will be alright  
Close your eyes and dream of me tonight  
Tell me that you won't just fade away  
Cross my heart and hope to die tonight I'll dream my  
pain away
